

CALL FOR SITES

IN THE CHESIL BANK PARISHES

*Incorporating Abbotsbury, Coryates, Fleet, Friar Waddon, Langton Herring,
Portesham and Rodden*

Do you own some land in the parishes?

- ◆ A garden that is too large or
- ◆ A green field site, or
- ◆ Buildings which could be converted or redeveloped

Would you like the Neighbourhood Plan to include your site to allow some sort of development to take place?

If so please let us know now!

Suggesting a site does not guarantee that it will be included in the Neighbourhood Plan, or that it would definitely be developed, but it does mean that you would like it to be considered.

The “Call for sites” will close on 7th September 2020

“Call for sites” forms are available from the Vision for Chesil website <https://vision4chesil.org/>

The Chairman of the Steering group derek.troughton@vision4chesil.org
