

NEIGHBOURHOOD PLAN REPORT TO CBPC MEETING 07/09/2020

1. Additional Surveys

- a. We are planning to distribute a 3rd Survey by the end of September for responses to be returned by the 26th October. This will be repeating some of the questions we asked in the 1st survey plus some additional ones on topics such as the environment and renewable energy
- b. In addition, we are inviting Young People between the ages of 9-18 to respond to a separate survey, which will be online only

2. Call for Sites

Call for Sites notices were released in August and the closing date is the 7th September. We have had input from Langton Herring and Portesham to date. We have also secured Technical Support from AECOM via Locality.

3. Public Consultation Events

A Working Group has been set up to coordinate and plan the first public event. It is scheduled for Saturday 14th November when we will invite all villagers to a workshop event to discuss the various options identified so far in the overall Plan.

4. Local Green Spaces and Views

- a. Arrangements have been made to photograph and list the green spaces which have been identified in the first survey. A Mapping Application has also been purchased to assist with the process of gathering information on location and area size.

5. Government White Paper

- a. See separate report
