

RE-RUN OF OPTIONS CONSULTATION SURVEY

To: Residents of Portesham Parish

You may recall that we held several Options Consultation Events across the Chesil Bank Parish in September in order to get your feedback on the Call for Sites exercise. After the meetings at Portesham Village Hall, which were quite well attended, we were both surprised and disappointed to receive so few responses from the residents of Portesham. Following discussions with the Landowners of the Portesham Site, PO03 the submission we received from them has been slightly modified to reflect the fact that they would like to see a mixture of Affordable Homes and Market Value Homes on that site.

For that reason and also because we received so few responses last time, we are giving you a second chance to provide your feedback.

The revised survey is available online on vision4chesil.org and we would very much appreciate it if you could spend a few minutes completing it, before the **closing date of 20th December**.

Should you prefer to complete a paper copy then you can print one off from the web site or contact Michele Harding or myself for a paper copy.

The completed paper copies can be returned to the collection box in the porchway of the Village Hall.

Alternatively, if you are unable to get to the collection box then contact either myself or Michele and we will call and collect it from you.

More information about the proposed site is in the “211201 Chesil Bank Options and Assessment Supplementary Report” to be found on the [vision4chesil](http://vision4chesil.org) web site.
