Incorporating the Parishes of Abbotsbury, Fleet, Langton Herring and Portesham
Chairman- Derek Troughton

Clerk- Mrs. M Harding

Dear Consultee

Chesil Bank Neighbourhood Plan Pre-Consultation 2022 – 2032

The Chesil Bank Parish NP Steering Group is consulting on behalf of the Parish Council on the pre-submission draft of the Neighbourhood Plan. We are writing to you, as a statutory consultee, local council, local service - provider, local landowner or because we have identified that you may have a potential interest in the plan. This is your chance to make your views known, so that changes can be made (if appropriate) prior to the plan's submission for its examination. When finalised, the plan will be a key document in determining future planning applications in the Chesil Bank Area.

The Draft Plan we have prepared is as a result of consultations and surveys with the local community and the policies which have been developed reflect their views and opinions on a range of topics. These include housing, employment, growth of small businesses, recreational facilities, design codes, protection of heritage and environment and thoughts on renewable energy schemes. The plan also identifies projects which would be led by the Parish Council with the potential involvement of local people, businesses and organisations.

A copy of the Plan is available on-line on the Neighbourhood Plan website <https://vision4chesil.org/plan-documents/events/> together with a survey (if you would like to use this structure to frame your response) and various reports from earlier research and consultations. Any comments you wish to make on the draft plan should be returned by 20th June 2022. We would encourage you to use the online form, as this will help make analysing the responses easier, but if you prefer to email you can do so by sending your response to the Parish Council Clerk email: theclerk@chesilbankparish.org or by post to
