

CHESIL BANK NEIGHBOURHOOD PLAN NEWSLETTER NUMBER 13: JUNE 2022

Thank you to everyone who completed the recent Pre-Consultation Survey and who also sent additional comments to us by email. Of those who responded to the question “*Finally can you please indicate your overall support or not for the draft Neighbourhood Plan*”, 75% supported the plan, 19% supported the plan with minor modifications and 6% did not support the plan.

It was good to meet many of you at our various Drop-In sessions around the villages and discuss your views on the Draft Plan.

The survey is now closed, and we will be busy over the next few months analysing your comments and updating the draft plan.

In addition, we have had feedback from a number of statutory consultees including Dorset Council, Dorset AONB, Wessex Water and Historic England, adjacent Parish Councils and Sport England, which we must also take into account.

We will be attempting to identify all of the various comments from both residents and the statutory consultees against each of the CBNP Policies, prepare a response and consider any modifications to the plan to incorporate the feedback received from you.

These will be discussed at our next Steering Group meeting on July 18th.

Following that meeting a revised NP will be prepared and submitted to the Steering Group meeting for approval on the 19th September. Assuming that receives the go-ahead, then the NP will be submitted to the Parish Council for approval at their meeting on the 3rd October to be held at Langton Herring.

Once it is approved by the Parish Council then it will be forwarded to Dorset Council.

Thank you again for your valued feedback.

Kind Regards

Derek Troughton

On behalf of the Chesil Bank Neighbourhood Plan Steering Group
