

CHESIL BANK NEIGHBOURHOOD PLAN
NEWSLETTER NUMBER 12
APRIL 2022

In our previous Newsletter No 11 last month, we mentioned that we intended to start the Pre-Consultation Phase in early April. Unfortunately, there has been a delay of 2 weeks or so in the receipt of the SEA (Strategic Environmental Assessment report) from AECOM, and since it is important that we review it before releasing it for general circulation, we have had to revise the dates. In addition, as a result of the above report, there are some minor changes which need to be carried out on the Neighbourhood Plan document. We are now intending to launch the Pre-Publication Phase of work on the 19th April 2022, and it will take place over a period of 8 weeks and complete on the 17th June 2022. Drop-in events are being planned for each village, one during the day and one in the evening.
